Islas Secas

P A N A M A

Islas Secas is an archipelago of exquisite islands in the Gulf of Chiriqui on the Pacific coast of Panama. An inspired eco-destination befitting the most intrepid traveler, the resort combines the wonders of Panama's incredible natural land and seascape with genuinely sustainable hospitality and once-in-a-lifetime opportunities for adventure.

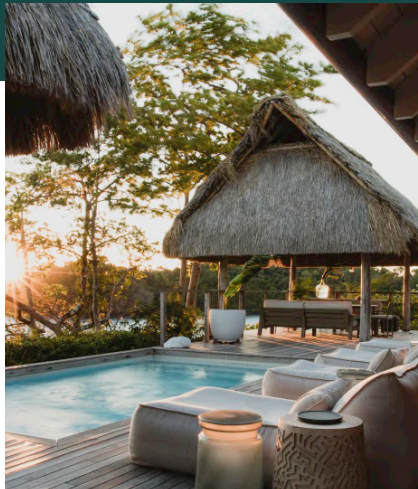

THE ARCHIPELAGO

Welcome to remote and wild Islas Secas – an archipelago of 14 islands located 20 miles off Panama's rugged Pacific coast, waiting to be explored. With seven hundred fifty species of fish, 100 bird species, and 128 species of plants, and just over an hour boat ride from Coiba National Marine Park, a UNESCO-designated protected marine area, this area is home to one of the largest coral reef systems in the Eastern Tropical Pacific. Islas Secas, with endless opportunities for sustainable adventure, is devoted to our natural surroundings, and our passion is to be a blueprint for nature-driven tourism.

STEWARDSHIP

Considered an environmentally protected area under Panamanian law, Islas Secas prides itself on holding sustainability and stewardship at the core of its facilities, infrastructure and operation.

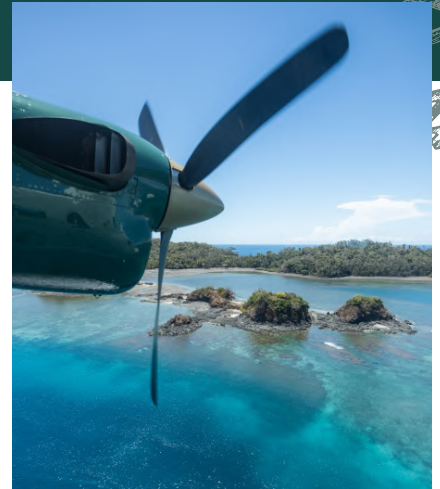

- 100% of the property's energy is solar generated
- 100% of food waste is composted
- 100% of wastewater is reused for irrigation
- Islas Secas supports local community education and service projects
- The privately funded Islas Secas Foundation supports marine and wildlife conservation in the region

ADVENTURES ON LAND

Islas Secas is host to over 100 species of resident and migratory birds. Wander along two miles of trails with a naturalist guide and pore over rare flowers and plants, glimpse colorful birdlife and scurrying iguanas as you reconnect with nature. Discover a secluded beach: our adventure sta will transport you with a sumptuous picnic, cooler, lounge chair, umbrella - and a two-way radio. Stay as long as you like. Signal for a return when you are ready.

WELLNESS AT ISLAS SECAS

At Islas Secas, mind and body are energized by all that is wild in our beautiful island setting. Immersed in flower-draped jungle, our open-to-the-elements wellness retreat offers a nurturing escape. From their secret-garden setting, surrounded by gnarled, over-draped trees, to the island-sourced products in our spa treatments, breathe deep and enjoy the elements. Home-crafted blends using natural ingredients such as coconut, jasmine and ylang ylang, create thoughtfully relaxing or energizing treatments. Peaceful morning yoga sessions are available in outdoor locations.

WATERSPORTS

Explore the big blue of this remote, pristine archipelago, through bespoke marine safaris, e-foiling, Pacific Ocean surfing, scuba diving with manta rays, whale-watching trips in season... or simply by drifting gently with a mask and snorkel over the kaleidoscopic reefs. World-class, unforgettable fishing awaits.
