Islas Secas

PANAMA

Islas Secas is an archipelago of exquisite islands in the Gulf of Chiriqui on the Pacific coast of Panama. An inspired eco-destination befitting the most intrepid traveler, the resort combines the wonders of Panama's incredible natural land and seascape with genuinely sustainable hospitality and once-in-a-lifetime opportunities for adventure.

TROPICAL ARCHIPELAGO

Welcome to remote and wild Islas Secas – an archipelago of 14 islands located 20 miles off Panama's rugged Pacific coast, waiting to be explored. With seven hundred fifty species of fish, 114 bird species, and 128 species of plants, and just over an hour boat ride from Coiba National Marine Park, a UNESCO-designated protected marine area, this area is home to one of the largest coral reef systems in the Eastern Tropical Pacific. Islas Secas, with endless opportunities for sustainable adventure, is devoted to our natural surroundings, and our passion is to be a blueprint for nature-driven tourism.

ENVIRONMENTAL STEWARDSHIP

Considered an environmentally protected area, Islas Secas holds sustainability and stewardship at the core of its facilities, infrastructure and operation.

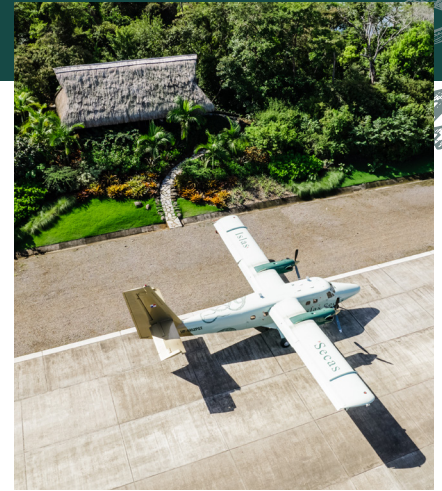

- 100% of the property's energy is solar generated
- 100% of wastewater is reused for irrigation
- 100% of food waste is composted
- Islas Secas supports local community education and service projects
- The privately funded Islas Secas Foundation supports marine and wildlife conservation in the region

BEAUTIFUL ACCOMMODATIONS

Tucked away in a tranquil corner of the Islas Secas archipelago, our exclusive, secluded resort has seven casitas accommodating up to 24 guests, and countless reefs, glassy bays and tree-swathed hills to explore – is the ultimate sustainable playground.

- Three Tented Casitas (one bedroom each)
- Casita Mirador (one bedroom)
- Casita Tres Palmas (two bedroom) and Casita Sombras (two bedroom)
- Casita Grande (three or four bedroom)
- Terraza, the heart of Islas Secas and a place to relax over drinks and to share meals along with tales of the day's adventures
- Beautiful infinity pool and sun terrace offering incredible views of the Gulf of Chiriqui
- Gorgeous spa with two wellness tents with swing seats and soaking baths in a secluded jungle setting
- Activities & Watersports Center offering a full range of water- and land-based adventures and excursions including scuba diving

GETTING THERE

Islas Secas' private plane is the easiest way to reach the resort. Guests flying into Panama City are met on arrival and escorted through immigration and customs to board Islas Secas' Twin Otter aircraft for a short-hour flight direct to the resort. Scheduled airplane transfers between Panama City and Islas Secas operate 3 - 4 times per week depending on the season. Private charter flights outside the schedules are subject to availability.

MARINE SAFARI

Exploring the waters of the Gulf of Chiriquí provides a glimpse of one of the least explored and most abundant marine ecosystems on the planet. Dive in the big blue of this remote archipelago to discover colorful inshore coral reefs; head to deep seamounts and pinnacles amidst manta rays and dolphins; paddle to quiet coves or take a guided seabound adventure to outlying islands; witness majestic humpback whales by boat trips in season; or drift gently with a mask and snorkel over the kaleidoscopic sea life. World-class, unforgettable fishing awaits.

WELLNESS AT ISLAS SECAS

At Islas Secas, mind and body are energized by all that is wild in our beautiful island setting. Our secluded, open-to-the-elements wellness retreat offers a nurturing escape. From the secret-garden setting, surrounded by gnarled, over-draped trees, to the island-sourced products in our spa treatments, breathe deep and enjoy the elements. Home-crafted blends using natural ingredients such as coconut, jasmine and ylang ylang, create thoughtfully relaxing or energizing treatments. Peaceful yoga is available in stunning outdoor locations.

ADVENTURES ON LAND

Islas Secas is a birdwatcher's paradise with over 114 resident and migratory birds. Our main island features miles of groomed trails for guests to observe tropical flora and fauna. Witness a blow hole spray water 60 feet high; visit a huge 300-year old tree cedar tree at Cedro Grande. Emerge on the beach to explore giant driftwood. Pause high cliff to gaze out over clear blue waters. Or be transported to a secluded beach with a picnic, cooler, lounge chair, umbrella - and a two-way radio. Stay as long as you like. Signal for a return when ready.
